Idea

Support for opening

As one of the leading Fintech development companies in Scandinavia, ZWEBB Sweden AB and its sister company from Serbia would like to open the first FinTech center in Serbia with focus on education and R&D. The main goals are: Open the educational FinTech Centar Serbia in Kraljevo for IT staff; Advanced learning for FinTech existing professionals; Bank FinTech support; Open the FinTech Info Office in Belgrade; Enable FinTech education for domestic, and regional financial institutions' teams; Expand existing FinTech experience of domestic finance institutions with experienced foreign FinTech companies through FinTech Info Office Belgrade; In cooperation with the Chamber of Commerce Serbia and partner banks, educate SME segment on how to obtain investments, funds for business by FinTech products
