Description

CruiseLand is successful Belgrade company, whose activity is providing all kinds of land services to the enjoyment and pleasure of our customers in river cruises. With extensive experience through our founders on the Danube, we are honored to offer you high quality services and the possibility of enjoying the cruise completely. Our main goal is long-term provision of land services for customers on river cruisers. As a young company, we want to offer you professionalism and sincere business support reflected in partnership. We organize all relevant services needed to the river cruises in the Serbian ports: Belgrade, Novi Sad, Donji Milanovac, Apatin, Veliko Gradište, Golubac.
