Description

Two Birds is a company that designs, produces, merchandise and distributes tourist souvenirs and gifts all over the World. We are a multidisciplinary team of creative professionals with considerable experience in marketing, design, and production. Our product is attractive, creative, and innovative. We provide the following services to other companies: 1. Distribution of Souvenirs and Gifts 2. Customized Souvenirs for Tourism Sector 3. Promotional and Direct Marketing All our processes start from scratch: design, production, packaging, customization, quality control, and delivery to a database. We provide promotional marketing, merchandising, and direct marketing services to companies and marketing and event agencies. We also advise on promotional gifts, customer loyalty programs, communication products, and subscriptions. Author behind the idea: [Personal portrait of Author](#)
