Bilateral Meetings

- Forum with Sweden 11:30 - 15:30

Description

For more than 28 years, the architecture and design community has specified contract products from Tehnomarket, a regional leader in production of window and doors systems, extruder of aluminium profiles and a manufacturer of architectural products such as glass facade systems ALUMINIK CS55 and ventilated facades systems VENT. A tradition of bringing breakthrough products to market makes us the company of choice for an array of contract solutions, including innovative aluminium systems for exterior in more than 32 countries worldwide. Tehnomarket continually seeks, tests and develops new concepts and products to meet ever-more-demanding standards of performance. From specification to installation, our teams work with architects, designers and builders to find a perfect solution for a high standard demanding projects.
